The NHS relies on employing the best people with the right values to deliver its services.

With more than 350 career choices within the NHS, including roles within administration, patient care, hospitality and maintenance, there are many opportunities for disabled people to develop a rewarding career with us.

In partnership with Jobcentre Plus, Sheffield Teaching Hospitals NHS Foundation Trust is hosting a Careers Information Event for people with health conditions or impairments to raise awareness of the opportunities on offer.

The event will include:

- The opportunity to learn more about roles within the Administration, Domestic Services, Catering and Nursing settings and talk to representatives from these departments.
- Information and guidance on the recruitment process within the Trust and upcoming recruitment campaigns
- Occupational Health Service and details of support available
- Details about Work Experience and Apprenticeship schemes currently running
- Information on Maths and English qualifications
- Details about volunteering at the hospitals
- Representatives from Access to Work
