

MENTAL HEALTH ALERT CARD

South Yorkshire police have launched a new Mental Health Alert Card and passport for people in South Yorkshire.

It is designed to help anyone living with a long-term mental health problem to quickly and easily communicate with emergency services, should they find themselves in crisis or distress.

The card is for anyone who:

- Lives in South Yorkshire
- Suffers from a mental health problem that affects their daily life
- Is of any age
- Can provide a supporting letter or proof of diagnosis from a GP or health professional

Scan the QR code opposite to find out more and apply for your free card or visit:
